MANHATTAN NAMES NEW CITY CLERK

At last Tuesday night's meeting of the Manhattan Beach city council, the legislators named Herman R. Brandt as successor to Mrs. Harriet E. Sitherwood in the office of the city clerk. He will serve the unexpired portion of her term when she retires.

Brandt will take over the clerical duties October 1, but will work beside Mrs. Sitherwood for two weeks before his appointment in order to get a bird's eye view of how it's done.

A former recreation commissioner in Manhattan, Brandt was nominated to the office by Councilman Dell Lyman. Brandt will serve until May of 1952, and will then "seek election to the office for another term."

The new city clerk will step into his job at a salary of \$250 monthly.

3-YEAR RESIDENT
Brandt has lived in Manhattan Beach for three years. During that time, he entered public affairs by taking over as a recreation commissioner. In addition, he is a member of the Manhattan Property Owners association, past vice-commander of the American Legion, and a member of South Bay Legion Post 184.

Born in New York, Brandt was graduated from the city public schools, and later attended Columbia University, where he took business administration and economics. Later, at the University of Southern California, he took personnel work, management, business relations, and is currently attending a class in municipal accounting at the downtown institution.

Dog Bites Man
A chained dog in North Redondo nipped a landl in the leg when he came to visit his property at 1612 Carver lane. Victim of the canine nipups was Alvin Gidnoz of 1026 Avenue F. He had to be treated by a doctor.

Emergency Aid
Manhattan Beach firemen last week rushed an expectant mother in their ambulance to Torrance Memorial hospital, where she settled down to await the arrival of the stork. She was Mrs. Virginia Kalkuth of 711 Eleventh street, Manhattan Beach.

have to expect some things like that going on. I sure hope this drive goes over big, because the kids sure deserve to get some help."

MISS MURIEL SELDEN, 56B Sapphire, Redondo Beach: "My brother is one of the men who is stationed in Camp Cooke, and when I heard about what was going on, and how they were having a bad time with their recreation, it made me feel kind of bad. Naturally, my folks and I did everything we could to help the drive along. We had a table that could be used for playing games, and we had another ping pong table, which we gave. In addition, there was a big bunch of magazines in the house, and we gave all of those, too. I know it wasn't really enough for them, because they have given up everything for us, but it was the best we could do."

DAN BROCKHEARST, 475 Palm drive, Hermosa Beach: "I did what I could. I got together a bunch of magazines and books, and I put those in the pile at Clark Stadium. Also, I had some baseball equipment that I couldn't use any more, and I added that. I hope it all does them some good, because I can imagine what those kids are going through up there."
